

# Campuses for Environmental Stewardship Sub-grant Program

## Action Plan Worksheet #2

Complete one Action Plan Row for each objective. (Add as many objectives as necessary)

**Goal:** To complete service-learning community projects that enhance student learning outcomes, and tie this learning to issues of civic importance and real world application.

**Sample Objectives:** *identify anticipated student learning outcomes, have students plan and execute student-led presentation or initiative, create assessment plan around learning outcomes*

**Objective:**

**Objective:**

<b>Action To Be Taken</b> <i>Each action should be a <u>specific and measurable</u> activity that can be completed within a defined period of time.</i>	<b>Persons Involved</b>	<b>Timeline</b> <i>Date by which the Action should be completed.</i>	<b>Lead Individual</b> <i>Gathers the group &amp; monitors timeline.</i>	<b>Evidence of Success</b> <i>What are our indicators of success? What data will we collect and how will we collect it?</i>
